

nicora
custom crafted blinds

Nicora custom-crafted window blinds help you to create stylish spaces that successfully reflect your design sensibilities.

We offer a wide range of options for you to choose from. Whether you're trying to achieve a particular aesthetic, working with unconventional sizes, or seeking convenience and ease of maintenance, Nicora has a solution. We'll work with you to experiment with different combinations of fabric or natural fibres, adding unusual embellishments to achieve a specific style.

Our team of talented artisans, craftsmen and skilled tailors bring you window treatments of outstanding quality that add the perfect finishing touch to any overall look.

With over a decade's experience in blind-making, Nicora has the experience to understand your requirement, translate it into reality, and deliver on time every time.

custom crafted blinds

"Space"
is the breath of art.
- Frank Lloyd Wright

Nicora Blinds work with windows of various shapes and sizes, visually enlarging a room by conserving space and fabric.

"Light" " "

is the first of painters.

- Ralph Waldo Emerson

Vary the mood of a room by incorporating double blinds, sheer fabrics or blackout lining to control light, colour, and aesthetic.

" Fashion is general. Style is
individual."

- Edna Woolman Chase

An average of eight people work on your custom-crafted
Nicora blind to create the look you want.

" The greatest power a person possesses is the power to **choose.**"

- J. Martin Kohe

Choose from a wide range of unusual bamboo, hibiscus and banana fibres or exclusive cotton, silk and sheer fabrics.

" Caress the
detail, "

the divine detail.

- Vladimir Nabokov

Accessorise your Nicora blind with embellishments like tassels, rivets, beads, mirror work, and unusual borders.

" Even though **quality** cannot be defined, you know what quality is. "

- Robert Pirsig

Hand-finished edges add the final touch to every carefully crafted Nicora blind.

"Individuality is only possible if it unfolds from
wholeness."

- David Bohm

Nicora's products and services span the whole gamut of your window dressing needs, including innovative treatments like contemporary curtains, consultancy, and on-site installation.

"Integrity
reveals beauty."
-Thomas Leonard
